

# ESCAPADE & D T O

*Invitation*

BRITISH TOURING CAR - SUNDAY 26TH SEPTEMBER

## THE DAY

**Escapade and DTO Motorsport invites you to the Silverstone British Touring Car Championship.** Experience a completely unique view of the circuit from our purpose-built 7.5-metre high platform overlooking the famous Maggots and Becketts. We have some of the best views of any circuit in the world - according to our recent F1 guests!

It's a casual affair, but there'll be light food and beverages offered throughout the day, parking and admission to the rest of the Silverstone site.

## LOCATION

Please access the site via Gate 10, which is located off the Dadford Road adjacent to The Wing building. Please follow the perimeter road round the circuit, counterclockwise (right on entry) past Porsche Experience Centre from Gate 10. You can then park within the Escapade VIP area by Maggots & Becketts. We are identified by a large black platform with orange lettering.

**7.5-metre high platform overlooking the famous Maggots and Becketts**
